### **Suspension of Property Binding Authority – Hurricane Gustav**

Due to the impending approach of Hurricane Gustav, **all binding authority is temporarily suspended for all Property, Garage Physical Damage, and Inland Marine business, except that business in which you have excluded Wind & Hail.** We ask that you immediately advise all of your agency personnel of this suspension.

Combined with the deep warm waters, rapid intensification could occur producing a category 3 hurricane by this weekend. The upper winds appear to be favorable enough to support a major hurricane in the Gulf of Mexico.
