Your Chance To Win Big!

You Submit'em - We'll do our best to Write'em!

During the next (60) days as an incentive for you to try our re-charged and re-vamped Commercial Division we will send you a lottery ticket for every piece of **Commercial Business** that you send us and the policy is written. We are confident you will be impressed with the service you receive, plus you will stand a chance of winning some extra dough.

Texas United has excellent markets to accommodate just about any type of commercial risk, plus you will find that our commissions are very competitive in the market place.

Here are a few simple rules for the program to help eliminate any miss-understanding:

- . Applies to any type of commercial risk
- . The policy must be written
- . Risk must be submitted during the program period of **8-1-2008 thru 9-30-2008**
- . Clearly indicate your name on the submission so we will know who should receive the lottery ticket

Here is a list of the Underwriters and the part of the alphabet they handle. Feel free to give your Underwriter a call at **866-654-9500**. They will gladly assist you!
